

**Additional information on SIX's investigation announced today**

**Today, SIX Exchange Regulation AG announced that it initiated an investigation against Swissquote Group Holding Ltd due to a potential violation of the rules on ad hoc publicity. Swissquote would like to give additional information at this stage.**

On 16 June 2021, Swissquote announced record half-year results via an ad hoc communication. Within that framework, Swissquote informed SIX Exchange Regulation as well as Swiss and international media in a timely manner, so that the market received the relevant information in due time before market opening. However, due to a technical issue, the mailing of the press release to the persons registered via the Swissquote portal was carried out only shortly before 10:00 CET on the said day.
